INTRODUCTION AND GENERAL INDEX

R. L. POLK & CO., publishers of more than 1,400 city, county, state and national Directories, present to subscribers and the general public, this, the latest edition of the Seattle City Directory.

Confidence in the continued growth of Seattle's industry, population and wealth, and in the advancement of its civic and social activities, will be maintained as sections of this Directory are consulted, for the Directory is a mirror truly reflecting Seattle to the world.

The enviable position occupied by R. L. POLK & CO.'S Directories in the estimation of the public throughout the country, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty cooperation of the business and professional men and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Seattle Directory will fulfill its mission as a source of authentic information pertaining to the city.

Four Major Departments

The four major departments are arranged in the following order:—

I. THE BUYERS' GUIDE constitutes the first major department of the Directory, printed on yellow paper. In the first section of this department, grouped under appropriate headings, are included the advertisements and business cards of firms and individuals desiring to make a complete presentation of their products or services. Following this is the Classified Business section, which embraces a list of the names and addresses of all business and professional concerns of the city, arranged in alphabetical order under appropriate headings—a catalog of all the activities of the city. The Buyers' Guide represents reference advertising at its best, and merits the attention of all buyers and sellers seeking sources of supply or markets for goods. In a great commercial center like Seattle, the necessity of having this kind of information up-to-date and always immediately available, is obvious. The Directory is the common intermediary between buyer and seller, and plays an important role in the daily activities of the commercial, industrial and professional world.

II. THE ALPHABETICAL LIST OF NAMES of residents and business and professional concerns is the second major de-

partment, printed on white paper. This is the only record in existence that aims to show the name, marital status, occupation and address of each adult resident of Seattle, and the name, official personnel, nature and address of each firm and corporation in the city.

III. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE, is the third major department, printed on green paper. In this section the numbered streets are arranged in numerical order, followed by the named streets in alphabetical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of the householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of owner occupied homes, the listing of telephone numbers, new householder symbols and zip code numbers.

IV. THE NUMERICAL TELEPHONE DIRECTORY is the fourth major department, printed on blue paper.

Municipal Publicity

The Directory reflects the achievements and ambitions of the city, depicting in unbiased terms what it has to offer as a place of residence, as a business location, as a port, as a manufacturing site and as an educational center. To broadcast this information, the publishers have placed copies of this issue of the Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Seattle.

The Seattle Directory Library

Through the courtesy of the publishers of the Seattle City Directory, a Directory Library is maintained in their offices at 71 Columbia St., for free reference by the general public. This is one of more than over 800 Directory Libraries installed in cities and towns throughout the United States, Canada and Puerto Rico through the courtesy of your Publisher.

The publishers appreciatively acknowledge the recognition by those progressive business and professional men who have demonstrated their confidence in the City Directory as an advertising medium, with assurance that it will bring a commensurate return.

SEATTLE

THE THIRD CITY OF THE PACIFIC COAST; THE FINANCIAL
AND INDUSTRIAL METROPOLIS OF THE PACIFIC NORTHWEST

(Prepared by Seattle Chamber of Commerce)

Seattle's 600-foot Space Needle towers over the grounds of the Seattle Center and the high-speed monorail train that runs between the Center and downtown Seattle. At left is the Pacific Science Center with its distinctive arches outlined against the sky.

Gateway and primary supply center to Alaska.

Closest major United States port to the Orient.

Boat, shipbuilding and repair center, including major shipyards—Lockheed Shipbuilding and Construction Company and Todd Shipyard Corporation.

Terminus of three transcontinental railroads, dozens of motor carriers and home port of major transPacific and Alaskan ocean carriers.

Cradle of the world's modern marine container service.

Headquarters city for thousands of firms—manufacturers, wholesalers, distributors and service companies.

Headquarters of the Washington State Ferries—the largest ferry system in the world—and southern terminus of Alaska's great ferry fleet.

Third largest city on the Pacific Coast—largest in the Pacific Northwest.

A port that can handle the world's largest ocean liners now operating or on the drawing boards.

Three exquisite pollution-free city lakes, public golf links, swimming pools and beaches, thousands of acres of parkland and

hundreds of miles of Puget Sound, river and lakefront and striking Sound-, mountain-, lake-and river-view property.

Boating is a way of life in Seattle, where one out of every four residents owns some form of water-going craft. This is a scene from opening day of yachting season when local mariners break out their finery in anticipation of months of cruising the area's inexhaustible salt and fresh water recreation resources.

Hydroplane, auto and horse racing, major league basketball, hockey and college and Pacific Eight sports.

Center of extensive forest-products industry and huge sustained-yield forests.

Home port of myriad pleasure craft with thousands of miles of sheltered seas to cruise and fish, with scores of beaches within easy reach by car or boat.

Minutes away from two striking, river-spawning mountain ranges—the Olympics to the west and the Cascades to the east—with limitless picnicking, skiing, hunting, hiking, fishing and camping opportunities.

Within easy day-trip of ocean beaches and Canada's splendid Pacific cities—Victoria and Vancouver, B. C.

The municipally-owned Seattle City Light provides electricity at about two-fifths of the national average rate.

The financial metropolis of the Pacific Northwest.

Fine hotels and restaurants, stores of all kinds and shopping centers.

Natural gas is available in abundant volume on long-term basis, transportation to the Pacific Northwest through the facilities of the El Paso Natural Gas Company and Pacific Gas Transmission Company.

Headquarters of a great aero-space industry, including the Boeing Company.

Gateway to almost anywhere by a score of major airlines.

The Seattle Symphony Orchestra, The Seattle Opera, Seattle Repertory Theatre and the Pacific Science Center are among the extensive cultural offerings of the great 100-acre Seattle Center.

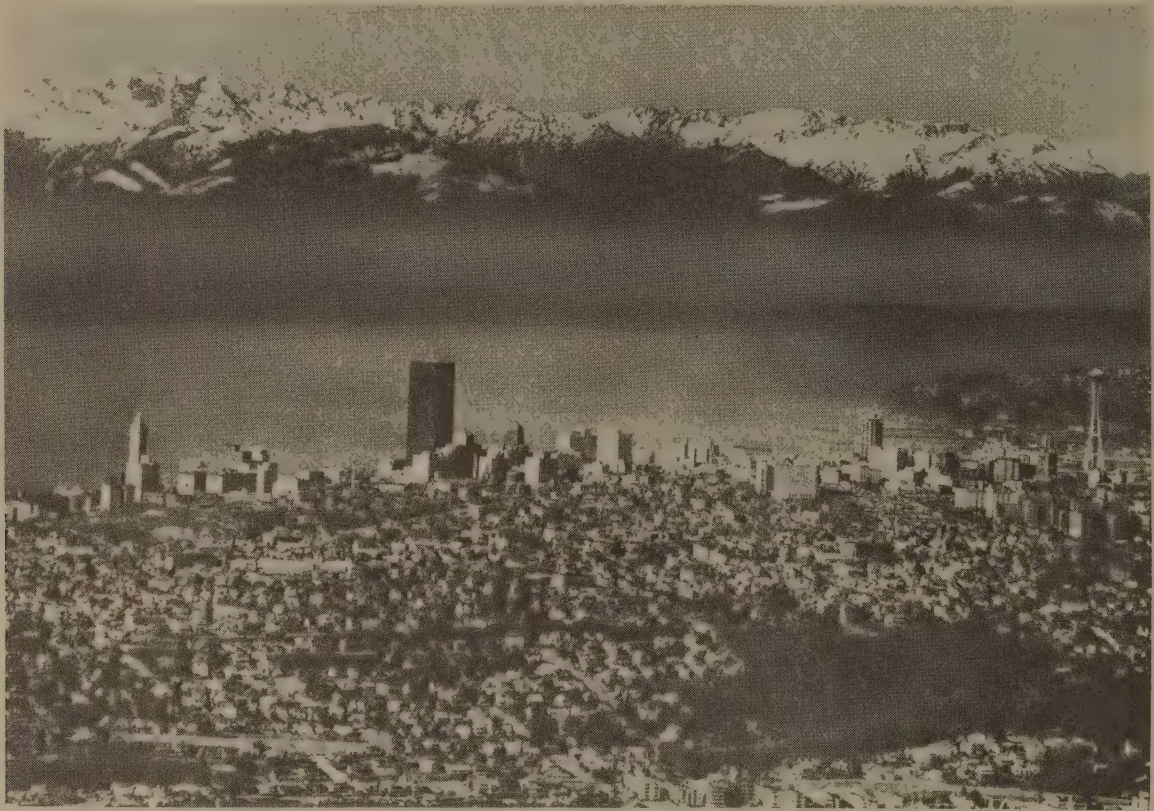

An outstanding public school system, junior colleges, colleges and two universities—the University of Washington and Seattle University.

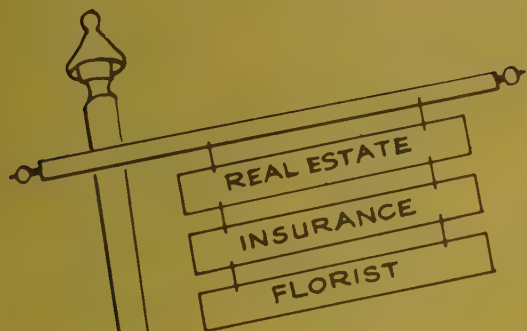

Seattle—a great place to live, work and raise a family.

BASIC POLICY OF THE BETTER BUSINESS BUREAU

Established In 1950, The Better Business Bureau of Greater Seattle is a Part of the Nation Wide BBB System. All Bureaus are Expected to Observe A Basic Policy, Which Represents Decisions and Standards Made and Set to Enhance the Effectiveness of Better Business Bureau Services. The Basic Policy is as Follows:

1. The Better Business Bureau is an independent non-profit membership organization established and financed by business and professional people to encourage voluntary self-regulation. It is a fact-finding and reporting organization which promotes truth in advertising and selling; maintains an impartial attitude towards firms and individuals; and is dedicated to the building and preservation of public confidence in legitimate business.
2. Better Business Bureau services are provided to business and the public without charge, and are aimed at the fair and speedy resolution of business/consumer problems.
3. A Better Business Bureau does not recommend, approve or endorse any person, company, product, service, solicitation, or organization.
4. A Better Business Bureau does not give legal advice, render legal services, or interfere with the processes of the law.
5. Commercialization of the Better Business Bureau name or identification of Bureau membership in advertising or selling literature by any individual or company is contrary to established policy.

**Violation of any of the above basic policies could affect our membership
in the Council of Better Business Bureaus, Inc.**

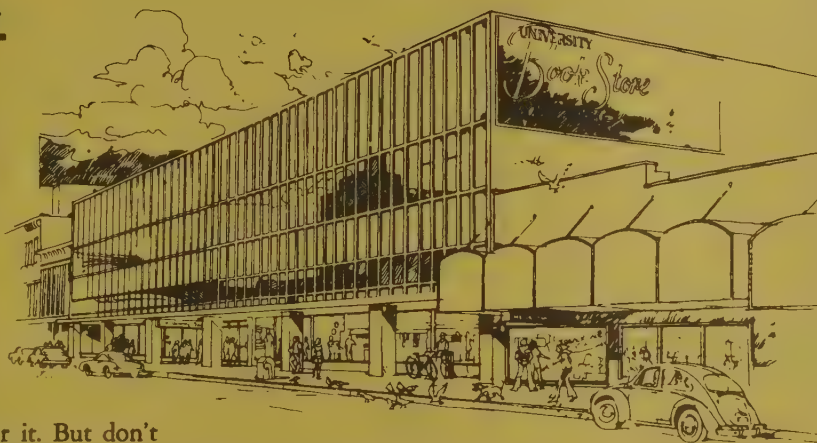

The Better Business Bureau movement is America's outstanding example of business self-regulation. It promotes business ethics and provides protection for the buying public.

No procession...

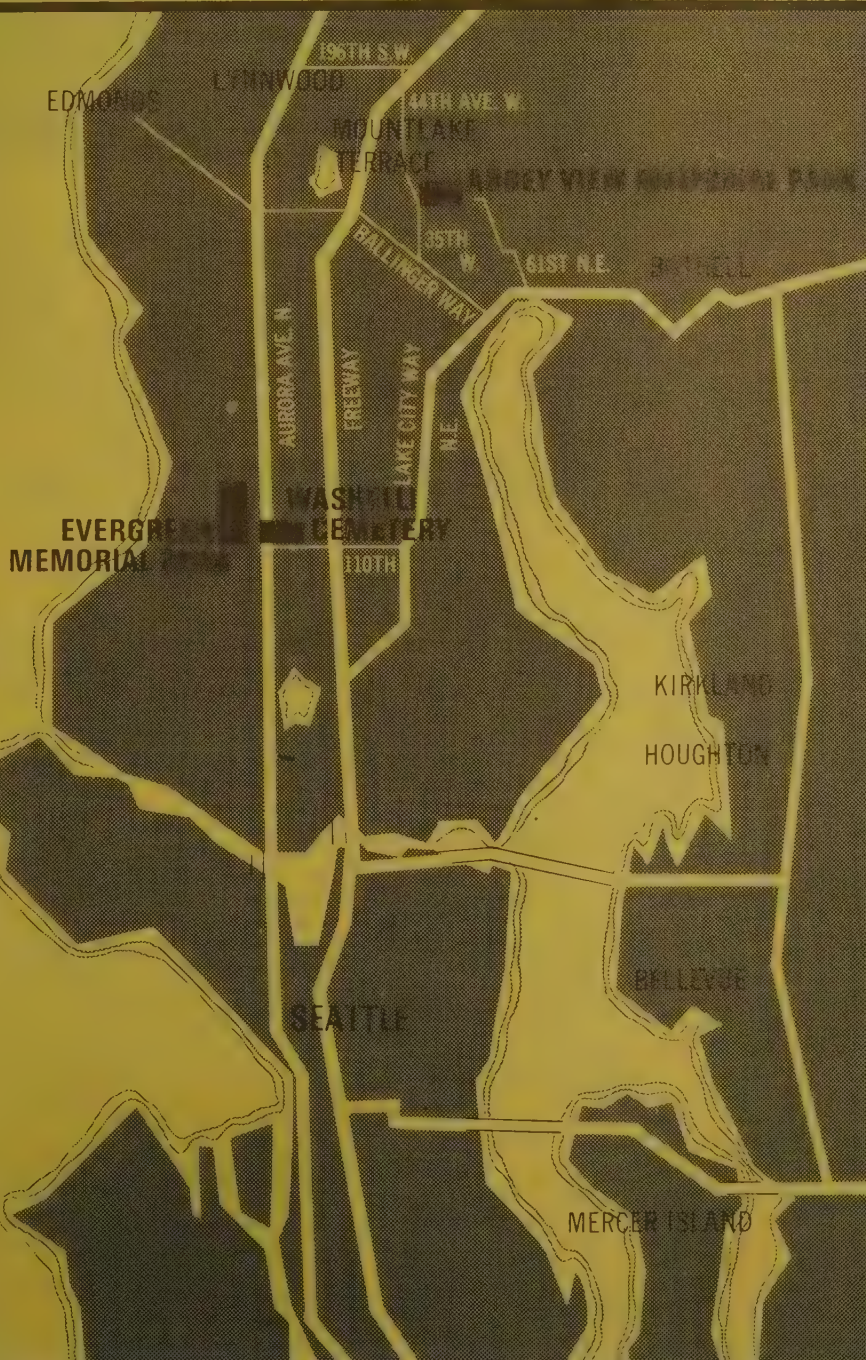

A Funeral Service is a very personal experience, expressing deep emotion. There's no need to mar its dignity with the confusion and traffic-ridden tension of a procession. Evergreen-Washelli Funeral Home is appropriately located within our beautiful grounds.

PLEASE! Do Not Lend Your CITY DIRECTORY

IT COSTS YOU MONEY—Every Time it Is Loaned

The practice of lending your City Directory, in a great measure, is responsible for the increasing cost of Directory Service.

The reason is:—

There is a definite cost involved in the making of the DIRECTORY of Your City.

THIS COST MUST BE ABSORBED BY THE SUBSCRIBERS—BE THEY ONE—OR BE THEY 1000.

If there were but ONE SUBSCRIBER to the CITY DIRECTORY—THE ONE SUBSCRIBER would of necessity have to absorb THE WHOLE COST.

If there were 100 SUBSCRIBERS—each one would have to absorb 1/100th PART OF THE WHOLE COST.

If there were 1000 SUBSCRIBERS—each one would have to absorb 1/1000th PART OF THE WHOLE COST.

From which it is obvious that the GREATER the number of subscribers—the LESSER the cost to each.

And

It is also obvious that the LESSER the number of subscribers—the GREATER the cost to each.

Every time you loan your City Directory the LESS NECESSITY THERE IS FOR THE BORROWER TO SUBSCRIBE FOR THE SERVICE.

MORE BORROWERS result in FEWER SUBSCRIBERS which means INCREASED COST.

PLEASE! Do Not Lend Your CITY DIRECTORY

IT COSTS YOU MONEY—Every Time it Is Loaned

The practice of lending your City Directory, in a great measure, is responsible for the increasing cost of Directory Service.

The reason is:—

There is a definite cost involved in the making of the DIRECTORY of Your City.

THIS COST MUST BE ABSORBED BY THE SUBSCRIBERS—BE THEY ONE—OR BE THEY 1000.

If there were but ONE SUBSCRIBER to the CITY DIRECTORY—THE ONE SUBSCRIBER would of necessity have to absorb THE WHOLE COST.

If there were 100 SUBSCRIBERS—each one would have to absorb 1/100th PART OF THE WHOLE COST.

If there were 1000 SUBSCRIBERS—each one would have to absorb 1/1000th PART OF THE WHOLE COST.

From which it is obvious that the GREATER the number of subscribers—the LESSER the cost to each.

And

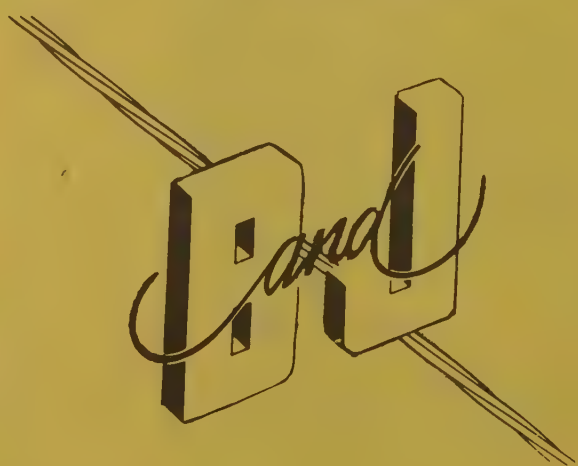

It is also obvious that the LESSER the number of subscribers—the GREATER the cost to each.

Every time you loan your City Directory the LESS NECESSITY THERE IS FOR THE BORROWER TO SUBSCRIBE FOR THE SERVICE.

MORE BORROWERS result in FEWER SUBSCRIBERS which means INCREASED COST.

A STATEMENT OF ADVERTISING PRINCIPLES

1. Good Advertising ~ aims to inform the consumer and help him to buy more intelligently.
2. Good Advertising ~ tells the truth, avoiding misstatement of facts as well as possible deception through implication or omission. It makes no claims which cannot be met in full and without further qualification. It uses only testimonials of competent witnesses.
3. Good Advertising ~ conforms to the generally accepted standards of good taste. It seeks public acceptance on the basis of the merits of the product or service advertised rather than by the disparagement of competing goods. It tries to avoid practices that are offensive or annoying.
4. Good Advertising ~ recognizes both its economic responsibility to help reduce distribution costs and its social responsibility in serving the public interest.

PRINTERS

1 SOURCE
for All Your Printing Needs

The Craftsman & Met Press concept of customer convenience offers a range of printing skills, equipment and services rarely found in a single printing organization. Consider a few examples:

Our Creative Department and art staff will take your rough ideas and convert them into finished layouts. You can see how your job will look *before* it's printed.

Our Publications Department offers the quality, economy and fast delivery of three giant web presses, each running as many as 8 or 10 colors simultaneously. Automatic bindery equipment gathers, stitches and trims in one continuous operation. Adhesive binders produce square-back books, catalogs and other publications.

The Business Forms Department, staffed with experts and equipped with specialized high-speed presses and collators, produces a wide range of snap-out sets, NCR and continuous forms.

The Legal-Financial Printing Department provides the assistance of professional knowledge and experience.

This department produces more legal and financial printing than any other company in this area.

The skills of more than 300 printing craftsmen and equipment available within the CM organization cover every major area of tape-generated typography, high-fidelity color reproduction, sheet-fed lithography, letterpress printing and bindery production. Many departments run two and three shifts to insure prompt delivery.

What are the advantages to you? (1) Economy through the use of equipment best suited to the job, no matter how large or small. (2) Productive capacity to get the job out on time. (3) Expert counseling in many specialized areas to get the most effective printing for your money. (4) Continuity of design so your printing has a "family-related" look. (5) Positive quality control from design to delivery—from a simple one-color job to elaborate color reproduction.

One phone number—one responsibility—one company you can always count on. Call 682-8800. 1155 Valley Street, Seattle, Washington 98109.

**Do your employers furnish you with
the latest edition of the City Directory?**

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

"h" - HOUSEHOLDER

"r" AND "h"

Two important symbols are used in your City Directory. The symbol "r," before an address stands for "Resident." That person resides at that address but is not the head of the family or family head. The symbol "h" stands for "Householder"—the person in whose name the home is occupied.

SEATTLE'S FREE MAGIC CARPET SERVICE

RIDE ANY BUS OR TROLLEY FREE FROM THESE MAGIC CARPET STOPS !

Metro Transit buses and trolleys make nearly 5,400 trips back and forth within the downtown "Magic Carpet" area each weekday and many more on weekends - and you may ride any bus or trolley for FREE inside the area. This means much more frequent and flexible service than on the old fixed-route Dime Shuttle, which was ended when Magic Carpet Service began. This map shows the location of all Magic Carpet bus stops (bus icon). The arrows and the buses point the direction of travel. Simply stand at one of nearly 100 stops marked by a colorful Magic Carpet Service sign (each sign will show you the routes that stop there and where they go), and hop aboard when the bus or trolley pulls up. Again, as long as the trip is within the area - the ride is FREE. We ask that you please avoid using buses marked "Flyer", "Express", or "Limited" if possible because, it slows the trip for those heading outside the Magic Carpet service area. Thank you.

CAUTION

Pay no money in advance to itinerant Directory Canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of R. L. Polk & Co. printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take payment for either advertising or subscriptions.

Out of Sight--Out of Mind

☆ Out of Business ☆

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. *Insist on being well represented in its pages.*

HOW TO USE THIS DIRECTORY

Learn and Use These Four Departments For Speedy Reference

★ 1. CLASSIFIED BUSINESS SECTION (YELLOW)

THE BUYERS GUIDE CONTAINS THE ADVERTISEMENTS OF THE MORE PROGRESSIVE BUSINESSES FOLLOWED BY A COMPLETE CLASSIFIED BUSINESS DIRECTORY.

★ 2. ALPHABETICAL SECTION (WHITE)

(h) HEAD OF HOUSE

(r) RESIDENT (ROOMER)

II. THE ALPHABETICAL LIST OF NAMES of residents and business and professional concerns of Moorhead is the second major department, printed on white paper. This is the only record in existence that aims to show the name, marital status, occupation and address of each adult resident of Moorhead and Dilworth and the name, official personnel, nature and address of each firm and corporation in the city. The names and ages of the children under 18 years of age are shown in parenthesis following the wife's name. Telephone numbers are also shown.

★ 3. STREET AND AVENUE GUIDE (GREEN)

Ⓢ HOMEOWNER SYMBOL ★ NEW NEIGHBOR SYMBOL

III. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE for Moorhead and Dilworth, on green paper, is the third major department. In this section the numbered streets are arranged in numerical order, followed by the named streets in alphabetical order; the numbers of residences and business concerns are arranged in numerical order under the name of each street, and the names of the householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of owner occupied homes, the listing of telephone numbers, new householder symbols and Zip Code numbers.

★ 4. NUMERICAL TELEPHONE SECTION (BLUE)

THIS SECTION TAKES THE "MYSTERY" OUT OF BLIND NUMBERS. IT LISTS TELEPHONE NUMBERS IN NUMERICAL SEQUENCE, MAKING IT EASY TO "DECODE" BLIND PHONE NUMBERS.
